## Program Outline for 2013

The CIT program is a training and educational program, with a curriculum designed to develop the people and technical skills necessary to be an effective camp counselor. It is *not* "working" at camp. CIT is a camp for older youth wanting to develop leadership skills. *CIT's are NOT day campers nor are they camp staff.*

CIT's will attend the pre-camp training & team building each morning and then move onto spending part of the day assisting with campers and staff members. Training will consist of planning and playing games, safety training, and leadership skills. CITs assist in the administration of the program and in the execution of camp logistics such as: engaging with campers, equipment set up and take down & being role models. In addition, CITs work with the program staff to organize and conduct activities, prepare lesson plans and lead games on selected days. CIT's will also help with the following activities: welcoming campers, participating in planning and implementation of other special activities.

## Responsibilities With Campers

The CIT's will be subject to the same code of behavior and policies as regular program staff and will participate in all aspects of camp life. *Under the supervision of a senior counselor they will:*

- Make the camp a fun place to be, helping to create and plan games and activities.
- Engage pro-actively during camp activities & cleaning up
- Help provide a safe and supportive atmosphere for campers
- Help campers resolve minor conflicts (or defer to a staff member)
- Setting up, cleaning up, organizing sports equipment, art & crafts, games & other camp activities
- Interacting with, playing with and cheering on campers in a positive manner
- Filling in the middle/side of lines & helping escort campers to next rotation
- Assisting with story time & preschool activities
- Getting to know campers names & individual interests
- Play games fairly, help kids follow rules (like listening and being quiet)

CIT's will always work with a Counselor and/or the Shoreline Recreation Staff.

CIT's will work with the Recreation Staff to learn the basics of child development, programming, and supervision procedures and policies, etc.

CIT's will work with staff to develop and co-lead workshops or games.

CIT's will participate in informal and formal activities with campers.

CIT's are NOT responsible for Discipline. Always defer to a lead staff if an issue arises.
